A mix of orchard fruit (some from Boyer Farms) will complement our fruits and vegetables in the CSA shares. Pears, apples, peaches, grapes and plums are harvested through the growing season. Value added products are also offered from other local farms including preserves, relishes, Amish baked goods, honey and brown eggs.

*estimated quantity in a typical weekly CSA share (9-12 items for Large Family Share) (6-8 items for Small Family Share)

Revised 1/17
